## **PRESIDENT'S REPORT**

**By Rod Pattison**

Well the end of another squash year is upon us and it is great to be able to report that the district is in good shape with money in the bank to keep us going till next squash season. A better state than it has been for the last few years thanks to the hard work put in by the board.

At the start of the year the district still found it hard to find the funds to operate. Not being able to obtain funding for the SDO, the board made the decision not to appoint a new SDO. A decision was made to temporarily increase Administration hours to cover the reporting for SNZ funding. The Board has found this has been very successful and we gained all the funding from SNZ at a lot less cost. Along with the funding from SNZ we retain the funding for the elite junior squad training from Inspire Net and coaching of coaches through Sport Manawatu. These programmes were carried out during the year very successfully. Funding for some of the teams expenses was gained from various grants which helped reduce the cost to the representative team reps.

Part way through the year at the National Presidents meeting we were informed that the funding criteria for SNZ contributions for next year will change and that it is likely we will lose funding of 17k . At this time we still do not know what the new criteria will be and what the cost to the district is going to be to gain the new funding from SNZ.

From a Board perspective, this year, it has been both very funny, and sometimes frustrating, with the board operating in a holding pattern waiting on the SNZ decision which kept changing as the year went. We are now at the point where at the end of the year we are still none the wiser as to how the changes are going to effect the district, although we should have a better understanding of what is happening after the SNZ AGM. One thing we do know is that Central as a district will be around for some time yet in what capacity is still not known. Hopefully we will find out over the next 12 months.

Again this year the Board has operated with vacant positions and this has loaded the three Board members down with each picking up extra work to cover.

Membership again has remained static throughout the year with some clubs up and some down. However, we did lose one club this year (Puketoi). Tournaments around the District have been well supported but numbers remaining very static. Prince Series numbers were down but the District will be running the series again next year.

Central had some success through the year with SquashGym Palmerston North winning the Cousins Shield and the Junior Girls team coming runners up at the Nationals.

This year has been a big one for SNZ as they put together the Squash New Zealand Hall of Fame with the inaugural inductees being named at a dinner in Auckland. One of the inductees was Roy Haddon from the Palmerston North Squash Club. Central would like to congratulate Roy and his family on this award.

For the upcoming year it will be a year of changes, challenges with Squash New Zealand changing the way, and the amount they funds to the District. SNZ are bringing in new programmes at district and club levels in Club development, Coaching and the long awaited review of the affiliation levies. Trying to gain the required funding from the various Charity's and Sponsorships to run programmes we have in place and send teams away to Nationals is getting more difficult, with the declining pool of money available. Clubs will be playing a big part in these changes, as a lot of SNZ programmes will be directed at club level.

I would like to thank the Board and Sharon for the work they have put in this year, under the circumstances of not knowing whether we would still have a district at the end of the year or not. We have worked through it and look forward to better times.

To the rest of the Squash community have a Merry Christmas and a Happy New Year and hope to see you all back playing in 2010.

Yours in Squash  
Rod Pattison  
President

---

## **FINANCE DIRECTOR'S REPORT**

**By Jane Gadsby**

2009 has been a year of consolidation for the board. After a tough year in 2008 and with no SDO on board we managed to keep the majority of the programmes running in 2009 although maybe not to the same extent as in previous years.

Funding is almost impossible to secure these days, so we were fortunate to receive \$9,900 during the year from various sources. Thank you to Lion Foundation, NZ Community Trust and Kia Toa RFC who continue to support us. Sharon Patterson, as always, devotes a huge amount of time to ensuring that the funding applications are professional and correct. Her knowledge and skills in this area are invaluable to the board as she strives each year to find us that extra money.

The Prince Series, whilst declining slightly in numbers continues to attract keen players each year. The amount of juniors playing (and doing extremely well) was very evident this year with the majority of the top 10 prizes going to our up and coming players. Thank you to Prince for the ongoing support. They are on board again with us for 2010.

At this stage we are not sure what Sport Manawatu are planning for 2010 but we are hoping they will still support the coaching for coaches. With the planned revamp of the coaching levels by Dave Clark and Squash NZ, there will hopefully be more people interested in the various coaching options that will be available.

The InspireNet squad continues to flourish with the help of the InspireNet sponsorship. The members of that squad involved in the junior nationals performed extremely well this year. A credit to them and the coaching staff.

The income for the year has dropped markedly, mainly due to the lack of grants received (\$9,900 in 2009, \$39,000 in 2008). The SEMs have dropped slightly but with the growth in casual squash hopefully new members can be picked up. There will be no funding available from Squash NZ as in previous years so we will be losing \$17,000 of income in 2010.

There is a surplus in the accounts of \$14,895 (2008 \$9,800). We have not had any SDO wages this year so that in itself is a huge saving. Rep costs have dropped as we did not send away a masters team this year and senior nationals were in Palmerston North. The micro courts were not used at all so costs were down significantly.

We have also consolidated our cash position this year, being able to manage our costs so we don't have to use the monies invested. That will be important going forward given that the SNZ funding will be non-existent and grants won't be easy to come by.

Debtor's collection has been a struggle this year with many clubs finding it difficult financially. We work with the clubs wherever possible to put plans in place to collect the money eventually, however with the economic climate it just seems to get harder and harder.

There will be no increase in affiliation fees once again. Let's all hope that the number of people playing squash increase in 2010, at least then our level of affiliation fees will remain steady.

All the best for 2010 and good squash everyone.

Jane Gadsby

Finance director
