PRESIDENT'S REPORT

As we move toward the back end of another year I'm proud to report that Squash Central have worked their way through the season with resounding success, not to deter from the significant challenges it faced. With the majority of our executive team being volunteers, living in a fast modern world we are committed to ensuring we are at least on a par regarding performance with all other Districts throughout New Zealand, and in many areas leading the way.

At the start of the year the District was significantly challenged finding funds and in many circumstances it required creativity in how it found these to successfully operate. We are an organisation that relies heavily on funding to pay the wages and cover the fixed costs we have across our business, as an executive committee we continuously reviewed budgets and programs and carefully considered what the return was going to be for us for running each program. Going forward a major focus of the incoming committee will be to put solid plans around funding, budgeting and programming for the 2017 season. This needs to start a.s.a.p. with an eye on rolling out a far more systemized structure for the forthcoming year, lessons learned from this past season.

We ensured we continued to support our world-class elite senior program that once again brought us resounding success on and off the court with SquashGym winning the Woman's Mitchell Cup and Centrals Senior Girls team winning the National teams title. While I don't like to single out anyone person for their individual achievements I would like to say a big congratulations to our departing High Performance Manager Kent Darlington and his support crew for the magnificent work he has put in over the past 5 years and more. Kent has done a magnificent job creating a winning culture both on and off the court and set up a sustainable District Program as good as any of its kind around the world. On behalf of the committee I wish him all the very best for the future and I'm sure he'll remain in the game.

I cannot go past thanking the many parents and partners we have involved in the sport. I thank you all for the support and time you give to the sport and the many tireless hours you give to your Clubs and children over the entire year, you all deserve a big pat on the back and there's nothing more satisfying than seeing our kids running around on the court enjoying themselves building lifelong friendships. The kids are our future and this is an area the District has identified as a key growth target for 2017.

Junior squash is very prevalent throughout our District from the top level right through to the grass roots. One of the greatest pleasures is watching the youngsters competing in any sport and Squash Central have many great programs in place at a District level feeding in to Clubs.

As a District we have national and international junior representatives across varying age groups doing us proud as well as a large contingent of enthusiastic novices coming through the ranks, these kids are our future and with so many different opportunities in life now it is vitally important that we provide them and their parents with the correct tools, environment and coaching to ensure they stay long term in the game.

Again without our magnificent volunteers these children would not be able to access pathways without you and I cannot thank you all enough for the roles you play in our great sport.

Our District Coach Sally Stantiall has had a very full year of learning, travelling, and teaching. In her second season Sally wears many hats in her role and has been on a mission of up skilling and delivering various programs throughout the Region. This role is an important part of our face-to-face delivery and representation on the ground and is supported through funding. I'm sure we will continue to see the great benefits of some of the initiatives that have been put in place this season continue to come through in 2017.

DEVELOPMENT MANAGER/DISTRICT COACH REPORT

Some Clubs have thrived with their programs throughout the year and some have stagnated however membership across the District remains solid due to the great people we have involved at the Club level in our wonderful sport, without them we would not be able to deliver such services within our own communities. Tournaments on the whole have received good feedback and as with some being well attended and others not so.

The District was well represented at National Super Champs this year across the grades and our District host clubs did a magnificent job of running these events. We had 1 team win a National title for the second year running and that was the B grade men from SquashGym Palmerston North.

Looking to 2017 I see an improvement on the funding side and we will welcome on board a new High Performance Manager to continue the great momentum in that program. I must also acknowledge the great work Di Tasker has done as our Financial Director on the committee; Di came on board during the year, took the reins, picked up the pieces and has done a wonderful job keeping us on track.

For the District to keep moving forward, it goes without saying that we need good people on the committee.

I would like to take this opportunity to put forward a personal big thank you to our District Secretary Pauline Slovak who puts in many countless and thankless hours on top of what she is paid for, without her I am absolutely positive that the District could not function as effectively as it does, she is an absolute asset and we need to do as much as we possibly can to keep her services, so Pauline a sincere thank you to you and the wonderful contribution you put toward Squash Central, you are a champion!!

To the rest of the committee, sponsors, squash players, our children, supporters, community partners and families I thank you for whatever you contributed to the sport of squash within our District for the year and I sincerely wish you all a safe and prosperous New Year and look forward to seeing you all in 2017.

Rodney Bannister – President

What an awe-inspiring year to be involved with Squash Central! I highly recommend that you take the time to read through this years report, about the achievements of individual players, club teams and district representative teams throughout the year, Squash Central has had some amazing results!

It has been a privilege to be involved with all the players, coaches and volunteers that I have met across the District this season while carrying out my role. I believe we are very fortunate and many clubs have some amazing, dedicated people working hard to keep our sport alive and growing throughout their towns. You are all doing an awesome job!

Squash Central has been involved in training staff and running successful Kiwi squash programmes in conjunction with Sport Wanganui in the Wanganui and Rangitikei areas and Sport Manawatu in Foxton and Levin. It is now hoped the these programmes will continue in the schools and help the clubs involved to grow their memberships. Because of the success of these we now hope to also include working with Sport Taranaki along the same lines in the upcoming year.

This season I have been fortunate to work alongside Kent Darlington and Grant Watts. We have worked together on starting the development squad tier of our high performance programme. This has been a great success and all players involved I feel have benefitted greatly, and we have seen some of the players involved achieve some great personal results. It has been a great learning experience to be involved with the Senior and Junior representative teams, and working alongside Kent and Grant at these events has proved invaluable in my own professional development. Grant and Kent, you have both been amazing over the season with the many hours of help and support, thank you both.

The biggest highlight of my year has to be attending the Sport NZ Coach Developer Training programme. Thank you Luke Morriss at Squash NZ for making this possible. It was a very intense 3 days and nights, but the learning opportunities and network building were invaluable. Over the year I have also attended some of the Sport NZ follow up workshops. It is empowering to keep yourself up skilled, and I feel it is important as I can then come home and spread this knowledge learnt across the district with those people and clubs who are interested in our squash community. CoachForce has been extremely successful this year in Central. We recently featured on the Squash NZ website as one of their case studies on CoachForce, check it out! It is an interesting read. My role as CoachForce Officer was to up skill coaches by facilitating a range of engaging and informative learning activities that are supported with a resource pack for each module. I feel these were well received in the clubs that they were run in. Thank you Kaye Carter for your help in delivering some modules in the district over the season. Throughout the year we offered 13 Modules in Central. We had 75 coaches attend a module workshop this year and had 3 facilitating coach development opportunities. So get your committee thinking about your clubs focus and needs for the upcoming season and check out the 25 different modules on the SNZ website and make a plan with me for running them in your club next season! Please feel free to contact me if you have any queries about anything in my report, or if you would like to talk about some planning for next year. I look forward to working with you in 2017 to grow squash in our District! I hope you all have a wonderful and safe Christmas and New Year.

Sally Stantiall – District Coach

HIGH PERFORMANCE REPORT

Into our 5th season of our HP programme and again Squash Central has had another fantastic year of results from our HP players. The icing on the cake being our Senior Women taking out the NZ Team title for the 2nd time in 3 years and also the 2nd time ever in its 48 year history! We had superb results from our Senior Men's team and managed to get back the Newbigin Shield against Eastern, while also having our HP women players represent SquashGym and win the Mitchell Cup (NZ top Club Team competition). Again our program is really starting to have an effect of some results and depth, which in turn creates healthy competition amongst our players with many of them moving up the grading list.

This year's Zone Squad programme was a first also for those players situated underneath our top tier and we had regular One Day training sessions run out of Wanganui and Kawarua Park which seemed to get a pass mark. By bringing this into our programme it enabled us to manage our numbers a lot better in both squads and also gave opportunities to players to be picked for the Senior One Day rep teams especially including those talented juniors coming through our ranks.

In brief a roundup of this year's events:

February saw us once again hold our annual **HP Squad Camp**. This was held at SquashGym over a weekend and it provided our management team a great start to the year, as it was easier to work with the reduced numbers. Some quality on and off court sessions were done along with player planning for the year.

The start of April saw our first One Day fixture, the **Newbigin Shield** clash against Eastern in Napier and the team managed to get revenge for the previous year. Both teams were without a number of top players and it really hindered Squash Eastern's lineup particularly. Central had a number of players on debut for the district, some of which were out of the newly established Zone Squads and they all competed well. Result: Central 17 - Eastern 7

In May we played our **One-Day fixture against Waikato** in Hamilton and unfortunately were well beaten as a number of our HP players were unavailable. Up against a powerful Waikato side on paper it told in the end. Central had some big battles, no more so in the morning round when we went down 9-3 in matches but as is always the case in these fixtures the five set matches become crucial to the overall score and this was evident as Central lost all 4 five setters in that 1st round. Again a number of players from the Zone Squad programme were exposed to some rep play. Result: Waikato 17 - Central 7.

Unfortunately the **Wairarapa Cup** between Central and Wellington did not go ahead this year due to time restraints.

We attended our **Central Open** as a **Squad Trip** in July and it is an important fixture that we will continue to support in our HP programme. It is our final selection tournament and team naming for the NZ Nationals and its great having our whole squad together where they are performing under pressure in front of management showing us they are worthy of selection.

It was then **NZ National** time in August where we travelled to the Remuera Club in Auckland.

Individuals:

This year we had only five of our players still going on finals day. Kashif Shuja (7th seed) won the Men's Open Plate and Kaitlyn Watts (9th seed) lost in the Women's Open Special Plate final. In the Men's Div 1 Ben Calvert (4th seed) took out the final, Stephen Bennett (8th seed) came 3rd and Nick Stretton (6th seed) won the Special Plate final.

Inter-district teams:

Again our Women's team stepped up to the plate delivering a top notch example of winning squash to become the NZ WOMENS TEAM CHAMPIONS for a 2nd time in 3 years by defeating top seeds Bay of Plenty 3-1 in the final after we were seeded 2nd. After winning it in 2014 for the first time when seeded 3rd, Central had to battle hard again along similar lines to topple the top teams. It certainly helped with the inclusion of Tamsyn Leevey (KP) at number two. Leevey who is a former top 24 player in the world and a commonwealth doubles silver medalist really provided strength and experience to the line-up.

This year's team line up of Danielle Fourie (SPN), Tamsyn Leevey (KP), Kaitlyn Watts (SPN), Holly Donnelly (SPN) and Rebecca Clifford (SPN) played fantastic squash and really performed when it mattered. The draw saw the six teams split into two pools of 3 and Central had to play Auckland the 3rd seeds first up. This match could have gone either way and really was a 50-50 match up on paper. However Central fired up and defeated Auckland in convincing fashion 4-0. Watts beat Priscilla Wildsmith 3/1 to start off, Leevey then beat Abbie Palmer 3/0 to go 2 nil up. Fourie then reversed the result from individuals and beat Ellie Epke 3/1 and Donnelly sealed the deal by winning against Anna Hughes 3/1. It was the same story then against Waikato (6th seeds), Central went to work with another 4-0 win, with Clifford swapping in at number four and reversing an earlier loss against Nicola Blake, this time winning 3/1.

Onto the final against Bay of Plenty and the Central team knew they would need to get off to a great start with Watts & Leevey the first 2 matches on. In a perfect situation the team needed them to win without dropping any sets just in case the back end of the tie went to a count back. No 3 Watts was up against Nadia Hubbard who she had never beaten after battling with her all last year for a spot in the NZ Junior World's team. The 15 year old was once again fantastic for her team & lead from the start winning in 3 sets 11/6, 11/4 and 11/6. Leevey then had to play the ever reliable Jo Shanks who had finished 6th in the individual draw and is a very tough customer. Once again she stepped up to the plate and put the team 2 nil up by winning 11/6, 13/11 and 11/4. On next was Fourie, Centrals no 1, who was up against it when she had to take on NZ Rep player Amanda Landers-Murphy. She was defeated 11/5, 11/2 and 11/7. This meant now that Central just needed 1 set to secure the tie if the last match was lost and it turned into a count back. On last was Donnelly against Aleisha Watene and she was looking in trouble at 5-0 down in the first set, however she pulled it back to win it 13-11, therefore sealing the deal and giving Central its 2nd title. Donnelly however didn't stop there and took out the match in 4 sets to clinch the clash 3 matches to 1 overall and be crowned the CHAMPIONS FOR 2016!

The Central Men's team of Kashif Shuja (SPN), Jason van der Walt (SPN), Ben Calvert (SPN), Stephen Bennett (SPN) and Nick Stretton (KP) were seeded 7th and also performed well above expectation. They pulled off the biggest upset in a number of years by knocking over 2nd seeds Waikato first round 3-1, something that is just unheard of in our sport. They then lost to Auckland 3-1 in the semi and Northland 2-1 to finish 4th overall after the last match wasn't played due to Northland having a lead in sets.

It was again unbelievable results for our Senior teams really, a proud day for CENTRAL to take the Women's title out in the fashion we did, only losing 1 match to a NZ Rep player throughout, showed that the women really took their chances when it mattered. Every one of the five had big matches all the way through at some stage and when you play well for yourself and your teammates it starts to create a belief through the team which becomes infectious. Danielle pulled off a big result against Ellie, Kaitlyn who is unbelievable for her age, showed determination beyond her years to beat Priscilla & Nadia, Tamsyn showed how experience counts in situations like this with great wins against Abbie & Jo, while Holly & Rebecca again stepped up to the mark for their teammates with superb wins.

Also the management group behind the team played a big part to the team's success, Grant Watts (SPN) who has been the coach of the girls team for a number of years fly's under the radar really, his calm influence on the team is second to none and certainly helps the girls, probably more than we all realise I think. His efforts have been huge over the last 5 years for our Central Senior programme. This year also we took a physio, Teresa Dixon from Intrinsic Performance and it really paid dividends for us as 8 matches over 5 days for the players is a huge task. Along with Coaches Kashif Shuja (SPN) & Sally Stantiall (RG) it really is a team effort that has proved to be a winning formula".

With this being my last year as HP Convenor and Senior Manager I'd like to express a huge thanks again to my team of Grant, Kashif, Sally, Teresa & Kaye. We all do our bit and every one of you is AWESOME! I'd also like to express my thanks to the Central Committee for supporting a vision I had when we started this programme up 5 years ago where winning titles was the goal, we have tasted some success now and I'm pretty certain we can win more in the years to come. To all the players, huge thanks also for your commitment and hopefully you have enjoyed it as much as I have. I'm hugely proud to be a part of Central and of the things we have achieved of late and wish everyone involved in the years to come more winning success!

Kent Darlington – High Performance Director & Senior Team Convenor

MASTERS REPORT

This years National Masters Champs were held in the Deep South in the city of Dunedin.

Several players that have been the core of our District teams in the past were unavailable due to retirement, injury and dates clashing with other commitments. That being the case and with Wellington also struggling for numbers we ended up having a combined Central / Wellington team.

The team comprised of Mickayla Kerr (SPN), Sally Stantiall (RG), Janet Udy (MB), Dianne Tasker (RG), Janice Trevathan (KP), Laveta Arthur (SPN) and Peter Heagney (MB). Wellington players were: Debs Dunbar, Lisa Gault, Sam Atkins, Willie Bicknell, Mike Donald and Rob Clay.

The team was seeded 7th they ended up finishing 5th overall defeating Southland in the 5th and 6th play off.

A big thank you goes out to Mickayla Kerr for overseeing our Masters this year and it's exciting times ahead in 2017 seeing the NZ Masters being hosted by the Kawarua Park Club.

Rod Bannister

Champion of Champion Nationals

This is a great event that Central has always strongly supported. We love that a player from any grade can compete and win a National Title. This is a relatively new event on the National calendar we hope will grow in popularity.

Congratulations to Nicky Schrafft for winning her National title in the F grade Women competition. Also well done to Matthew Ratcliffe, Sarina Budge and Amoa Crossan for placing second in their divisions.

Finally, congratulations to all District players who have represented New Zealand at home and overseas this year. Well done and we are proud of all of you.

Marilyn Dolan – District Captain

iSQUASH ADMINISTRATORS REPORT

This year has seen SNZ updating and improving more of their modules. The tournament module seems to be popular with clubs, especially for collating of tournament entries

Having most of the Tournaments on the website and able to be entered this way makes it easier for a lot of players, also helps the clubs get more entries from out of District.

The Interclub module is running nicely and is user friendly for the captains to input results and add extra players.

I would like to thank all the Club Administrators for their great work over the year, not always appreciated by players. Those that are standing down, enjoy your rest. For the new ones coming aboard, welcome and feel free to contact at any time with any problem or query.

For those interested in what some of SNZ reports can do, our top two Most Improved Player for the full year was – Rhys Butler (HW) who gained 955pts. Most improved Junior was Matthew Adshead (PN) with 750pts.

Marilyn Dolan – District iSquash Administrator

JUNIOR CONVENOR'S REPORT

The last year has been extremely busy time for our juniors. We have had a number of NZ representatives, NZ squad members, juniors in the winning Mitchell Cup team and Senior National team, Champion of Champion winners as well.

NZ Representatives

Annaleise Faint, Kaitlyn Watts, and Corbin Faint represented New Zealand in the Trans-Tasman Oceania team competition which was held on the Gold Coast in January where the team won Gold in the clash. Annaleise and Corbin also represented New Zealand in the Trans-Tasman Secondary school event held at SquashGym Palmerston North, where Corbin was captain for the boys team. Courtney Trail was also selected for the New Zealand Secondary school team, however due to illness she was unable to play.

NZ Squad players

Central had five juniors selected in NZ squads:

Kaitlyn Watts and Courtney Trail – NZ Elite girls Squad

Corbin Faint - NZ Elite boys' squad

Jordan Bell and Annaleise Faint – NZ Development Squad

National Secondary Schools Team

SquashGym hosted the NZ Secondary Squash competition which saw Palmerston North Girls' High School winning the national event the second year in a row. The PNGHS squash team: Courtney Trail, Annaleise Faint, Gina Bailey, Ansley Koolen, Paige Stantiall, and Molly Stantiall. The girls went on to win the MUSA – Massey University Students 'Association "Team of the Year" at the Sport Manawatu Secondary Sports Awards.

Mitchell Cup

SquashGym Palmerston North women's team won the Mitchell Cup. This team had three juniors which were Kaitlyn Watts, Courtney Trail and Diya Joukani. All the girls played above their grade and had crucial wins for the team to ensure they won this prestigious cup.

Central Inter-District Challenges

The Eastern vs Central challenge was held on the 15th March. Another well run challenge with some great squash being played. Unfortunately Central lost 19-18, it was great to have players from all over the district. There were certainly a couple of kids we will be watching with interest for our National team next year.

Morning round: Central 10 Eastern 10. Afternoon Round Central 8 Eastern 9

Overall Result: Eastern 19 Central 18

Unfortunately Wellington vs Central fixture did not happen this year due to Wellington unable to field a team.

Central Juniors Age Group Tournament

The Central Junior tournament was held at SquashGym this year.

NZ Nationals Teams

Boys Team

Corbin Faint
Matthew Laurenson
Jordan Bell
Richard Bell
Dylan Budge

Girls Team

Kaitlyn Watts
Diya Joukani
Annaleise Faint
Gina Bailey
Paige Stantiall

The Central boys National team were seeded 6th and finished 5th. The girls were seeded 2nd and finished 2nd after a great win against Northland in the semi-finals to make the finals against Auckland. Auckland is an extremely strong team and unfortunately the girls lost 3-1, however Kaitlyn Watts ended her season on a great high beating Ellie Epke in 5.

All players played extremely well in the National Individual tournament, where we had many outstanding results. Central had two players make their age group finals. Kaitlyn Watts made the under 19 girls final after beating Abbie Palmer in the semi-finals. Kaitlyn played well but lost in 4 against Ellie Epke. Annaleise Faint played Anika Jackson in the under 15 Girls finals but Anika was too strong and she lost in three.

The central juniors have had a fantastic year but we want to continue the growth in our district and ensure that we have players feeding into our central junior teams, district challenges and also more competitors in our Central Junior Age Group Tournament. We have had a planning meeting for 2017 and want to implement more zone squads to keep our sport growing. However we need to be mindful of our junior commitments and make sure that when we take our team to Nationals they are peaking for this tournament.

I would like to thank the support that I have received from Kashif Shuja, Sally Stantiall, Grant Watts, and Pauline Slovak. Let's make 2017 just as successful!

Kelly Faint – Junior Convener

MANAWATU - WANGANUI - RUAPEHU ZONE REPORT

Manawatu-Wanganui-Ruapehu Zone Report

We had a great turnout at the meeting at the start of the season with nine out of the thirteen clubs in attendance. The clubs present all gave a report on what was happening in their clubs so others could hear what they were doing, hence giving some new ideas to try over the season.

Ohakea courts were closed due to earthquake risk, but currently these are just about open again. Feilding and Rangitikei gave the players affected the opportunity to join their clubs during this time, which was greatly appreciated.

Most clubs have/had the crumbling wall problem, so this was talked about quite widely. Levin has resealed both front walls during the season with great results. Wanganui asked about Interclub being played fortnightly, main feeling was to stay with weekly, with Masters at start and end of year.

We have held the usual three Interclub competitions again with good turnouts at all three. Ladies Masters were again run as individuals being put into even teams, a very social event. Having a baker play goes down a treat with great suppers. Also, a great learning event to get the F grade ladies keen.

The men again see the same teams vying for the winning spot in both Masters and Graded. Masters Rd 1 winners were: Levin, River City & Dannevirke. Graded winners were: Dannevirke, Tararua, Levin, River City & Wanganui; with Ladies Graded winners being Tararua and Dannevirke. Masters Rd 2 is still going.

Sally Stantiall and Kiwi Squash have been running through the season at various clubs with great success. SNZ have many modules available for club level, so contact Sally if interested.

FINANCIAL REPORT

I took over from Rob in May of this year, some very big shoes to fill! This has been a learning curve for me but we have managed to get through the year.

I am pleased to report a profit of \$5,311 with affiliation fees and grants and donations again our main forms of income. Grants were received from Pub Charity, NZ Racing Board, Mainland Foundation, COGS, ECCT, NZCT, Inifinty Foundation and Lion Foundation, we thank them for their continued support.

Income is down 8,000 on last year due to affiliation fees being less – maybe something we need to work on with clubs in 2017 to help increase their memberships. Funding and sponsorships are also down on last year. Expenditure is down \$9,500 on last year. We spent less on coaching this year, a planning meeting set down for early next year will undoubtedly be looking at increasing this in 2017 with a focus on getting more coaching into our clubs. Rep team expenses are down too; this is mainly due to the Masters team paying much of their own way to play in Dunedin.

Funding of \$4,686.30 we received from Sport Taranaki in 2014 for coaching in the Taranaki was never used and had to be returned this year.

We have a \$30,000 term deposit with the BNZ and still hold a \$10,000 debenture with Squashgym.

I would like to thank Rob Brownrigg for his help handing this daunting job over to me and Pauline Slovak for all her help and support (and often pointing me in the right direction!!) this year.

INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT
TO THE MEMBERS OF
CENTRAL SQUASH ASSOCIATION (INCORPORATED)

Report on the Special Purpose Financial Statements

We have reviewed the accompanying special purpose financial statements of Central Squash Association (Incorporated), which comprise the statement of financial position as at 30 September 2016, and the statement of financial performance and statement of movement in general funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

Committee's Responsibility for the Special Purpose Financial Statements

The Committee is responsible for the preparation of these special purpose financial statements in accordance with the Accounting Policies of the Association and for such internal control as the Committee determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying special purpose financial statements. We conducted our review in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400, Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity. ISRE (NZ) 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the special purpose financial statements, taken as a whole, are not prepared in all material respects in accordance with the Accounting Policies of the Association. This Standard also requires us to comply with relevant ethical requirements.

A review of special purpose financial statements in accordance with ISRE (NZ) 2400 is a limited assurance engagement. The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on these special purpose financial statements. Other than in our capacity as assurance practitioner we have no relationship with, or interests in, Central Squash Association (Incorporated).

Basis for Qualified Conclusion

Control over income other than affiliation fees, grants and interest, prior to being recorded is limited and there are no practical assurance procedures to determine the effect of these limited control. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

Qualified Conclusion

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the special purpose financial statements of Central Squash Association (Incorporated) as at 30 September 2016, and its financial performance for the year then ended, are not prepared, in all material respects, in accordance with the Accounting Policies of the Association.
