## PRESIDENT'S REPORT

As I sit here and type, I am thinking about how it only seems like yesterday since I raised my hand at last years AGM and asked a simple question, "what does the role of President actually entail"? Here we are nearly 12 months later and what a year it has been.

Firstly, I would like to start out by giving a big thanks to our committee, John Laursen, Kelly Faint, Marilyn Dolan, Mike Jack, Tom Lumsden, Di Tasker, Cindy Marsh, Brendan Davies, Sheryl Hooper, Aaron Stevens and Melville Holmes. They have worked hard throughout the year attending meetings, managing events and conducting any administration tasks given to them. I would also like to make a special mention to Pauline. Pauline is the glue that keeps our committee and more importantly the District running. She as always, has been a fantastic asset to the community and has made my introduction into the role a breeze.

This year has seen many major achievements from individuals and teams and I am extremely impressed with the performances displayed throughout the calendar year. You have all conducted yourself professionally both on and off the court and you have represented your clubs and more widely, Central Districts, with an attitude and drive that reflects well on us all and also sets a wonderful example for those young ones coming up through the ranks.

It excites me to see the progress of our juniors, as they come through the system. Big thanks must go out to Rod for his efforts this year as the District Coach, coming up with new initiatives to get kids (and adults) involved in squash. There are many more out there who actively help out their clubs and more importantly the children and so I would like to personally thank you all. Without your support and help, junior squash would not happen.

At this point in time I firmly believe that we as a District are on the right track. I don't think we need to make any major changes going into next year; we just need to keep progressing with what we are already doing and stay focused on our primary vision, which is to "Grow the game".

Unfortunately, as we move into the next term, I will not be remaining as the President as due to work commitments I will be unable to give enough of my time to the committee. I have enjoyed my time in the role and as I said above, I fully believe we are in a good place moving forward. To the new President who steps up, you have an exceptional committee who will support you and the decisions you make. Enjoy your tenure and as always, keep your racquet up.

**Glenn Blay** – President ret.

## DISTRICT COACH REPORT

At the start of the season the Central committee supported the position of District Coach from February through to November. It's been another productive and fulfilling season, my second in this role, allowing me to build good knowledge and relationships with many of you throughout our vast region. On average I travelled between 500 and 700 kilometres a week, teaching our wonderful game to players of all levels.

Coming into this season, a major focus of mine (as with my Elite Performance role) was to expose the game to as many people as I could throughout our entire region, enabling them to experience a reasonable level of coaching, whether a beginner or an elite player. Likewise for coaches, passing on my thirty nine years of squash playing experience, thirty six as a 'A' grade player and thirty one as a coach in many capacities from club to national level. My coaching philosophy is simple: I'll coach anyone no matter what level as long as they are keen to learn, listen and have a good attitude.

If successful in the role for the forthcoming season, I plan to schedule out a ten month calendar planning well ahead of time where I will be and what I will be available for when it comes to coaching delivery.

### Looking back on the season some of the milestones for me included:

- Junior Development Camps; these moved into our second year and were reintroduced after a ten year hiatus. These camps were mainly focused on our nine to thirteen year olds, giving them the opportunity to practice / train in a semi-formal environment with their peers in preparation for them moving onto District, National and International camps. These camps gave opportunities to a new lot of young players from outside of the main centres, hopefully holding their interest in the game and keeping them motivated to carry on during a period when they otherwise would not be active in squash. A big thank you goes out to Grant Watts, Jordan Bell, Kaitlyn Watts and Loni Martin for their support during the camps, as well as the SquashGym and Whanganui Squash Clubs for the use of their facilities.
- Player depth at Junior Level; the Prince Series is a great breeding ground for the development of our young player depth, something I have experienced over the past three seasons, with many of the players moving into the senior ranks attaining E grade and record numbers appearing throughout the series. A handful of these players have also moved on to achieve high national age group rankings and with the introduction of our junior development camps the plan is to see this continue well into the future.
- AIMS Games; the premier sporting event for intermediate age kids seeing some 10,000 plus children take part in the week-long event in Tauranga during the school holidays across a variety of codes. It was excellent to see a few of our juniors contest the event this year.
- Super Champs; arguably our sport's best product for young and old, bringing club members together to play their peers to see who's the best of the best. Congratulations to the following teams for making their respective national finals: B grade – SquashGym / Whanganui C: Whanganui / Hawera D: Ohakune / Kawarua Park E: Hawera / Dannevirke F: Tararua / Tararua.
- Champion of Champions; 83 players contested this year's event making it one of the biggest in recent times, exciting times ahead as Central players go on to contest the national Champion of Champions at Ohakune in late October, last year Squash Central won the inaugural District Teams Event.
- Give Squash a Go; As part of my District role I delivered this unique program thanks to the Whanganui Squash Club to a keen bunch of beginner juniors over a four week period. This program targeted kids that had never or barely been near a squash court before. At the conclusion of this these kids could move on to the club's junior night.
- Zone Squads; a squad training initiative aimed at players on the cusp of representing the District at a senior level. The Taranaki Regions squad grew in numbers and it is an initiative we will review moving into the new season.

- Central Doubles; Great numbers and competitively contested across all levels at the Whanganui Squash Club.
- Local tournaments; Moving around the District this year, I noticed a real resurgence in our sport. This was highlighted by many clubs experiencing an uptake of numbers contesting their local tournaments.
- Coaching appointments; Fantastic to see SquashGym appointing a club coach in Victor Romero as well as Jason Fletcher sitting in the role of Coaching Director for World Squash Federation in the Pan Pacific Region, attending the world coaching conference on the Gold Coast where he was one of the presenters. I was also fortunate enough to be a guest presenter at the NZ Coaching conference earlier in the year on 'grassroots squash' and to be formally appointed as Squash Fiji's Overseas Technical Expert overseeing their national squads that are to contest the Pacific games in Samoa in July 2019. It has been very encouraging to witness the growing depth of club coaches both practically and when it comes to personal development, seeing eight of our Central coaches attend this year's national coaching conference.
- Health of club programs; Travelling throughout the District this year gave me a first-hand view of the clubs that ran great programs in: business house, club nights and juniors. Without naming anyone in particular it is a tribute to your volunteers, communities and club culture and no accident that these are thriving.

There are too many of you to name but I would like to thank everyone that I have had the privilege of working with this year, in the District Coaching role, for your support when working at your clubs. In particular to Pauline Slovak who does a wonderful job when it comes to booking of vehicles, accommodation, logistics, administration and organising player uniforms for our representative teams. She's a real champ that goes above and beyond for the District!

I wish you all a safe and prosperous New Year and hope to see you all around the traps during the 2019 season.

**Rodney Bannister** – District Coach

## HIGH PERFORMANCE REPORT

It's been another extremely hectic season for our elite players individually and team-wise at a regional, national and international level. Looking over the results it goes without saying that as a District we produce some magnificent players and we are a great District to represent with a 'team' philosophy when it comes to culture that offers a very welcoming environment at training camps or when representing Central, This is something that we have worked hard on as a management team over the years.

What stands out for me this year, was giving representative exposure to many of our players within the District, seeing an abundance of new players from outside the main squash clubs come into the fray for the first time representing themselves, their families, clubs and our District with pride! One of my main focuses when I took on this role was to expose the game far and wide to every corner of the Region enabling as many players as possible to put their hand up to represent Central ultimately building player depth for the future. These players along with our incumbents displayed great attitudes and character, traits that have seen them represent the District proudly over an extended period. We may not have got outstanding placings at national teams events but I'm confident that we continued to build upon our strong culture and from my perspective it was a pleasure working with all and sundry.

Some of what we have undertaken and achieved this season include:

### 1 Day Senior Challenges:

- The Newbigin Shield at Havelock North versus Squash Eastern – 16/8 to Eastern.
- Versus Waikato at Taumararui - 16/8 to Central, our first win in four years seeing a total of ten - five setters.

We're in current discussions with Squash Eastern and Wellington, where next season we're looking at reviving the triangular series to include Wellington at a date and venue to be confirmed. These challenges are vital to get exposure for our players to top level squash against players from outside our region. It also allows us to introduce new players in to the representative fold. Kudos goes to Grant Watts who has been an extremely dedicated and long serving top level coach for us in these clashes and many more over the years. Personally it is a pleasure working with him allowing me the opportunity to learn and grow as a coach at the same time.

### Player / Team achievements:

- Kaitlyn Watts; our flagship player who is a magnificent ambassador for our District both on and off the court – Youth Olympics Ambassador in Argentina, NZ Junior Open winner, British / USA Juniors where she made the last 16, player of PSA tour events, NZ senior team representative at world teams in China, contested her 1st PSA final at Squash XL in Auckland, NZ world junior representative and NZ no.1 in India.
- Courtney Trail; opened the door for many of our young players to consider squash as a viable career path through the USA school system – currently based in the USA on a scholarship – NZ world junior representative in India – Winner of the North Island under 19 junior girls title.
- Anabel Romero; Winner of the NZ under 13 girls championships in her first year in this age group achieving a B2 grading at the age of 11 – Youngest ever junior girl to be awarded the most improved at the NZ Age Group Championships – member of the NZ Junior Development Squads.
- Allan Bailey; NZ representative at the World University Games in Birmingham.
- Annalise Faint; Selected as a development player for the World Junior Championships in India – Co-Captain of the winning NZ Secondary Schools girls team versus Australia.
- Kashif Shuja; Winner of the Central Open and NZ Masters 35 age group.
- Brooke Reid, Anabel Romero, Reece Holmes and Genevieve Bell were all selected to attend the Squash NZ Development Camps.

- The SquashGym ladies team on winning the prestigious Mitchell Cup at Hamilton from a 5th seed position.
- All the players, administrators, volunteers and managers that have been nominated in their respective categories having succeeded at the local, regional, national and international level over the past twelve months at their Regional Sports Trust Award evening. This highlights that as a sport we are in very good shape moving into the future.

The Central management teams / convenors plans for the 2019 representative season include setting out a structure where we re-introduce a few selection events, player camps setting out a clear selection process for players that are available to contest the 1 day challenges and NZ team's events. These plans will be sent out to players early in the year so they can plan accordingly.

**Rodney Bannister** – Elite Squad Coach

## MASTERS REPORT

The Masters team had some very close games at Nationals, just losing out to some higher ranked districts overall. Mickayla Kerr got injured which was a shame and this weakened the team considerably.

Highlights from the NZ Masters Nationals were:

- Kashif Shuja Winning the 35 - 39 age group
- Kent Darlington R/U in 40 - 45 age group
- Rod Bannister 3rd in 50 - 55 age group

The rest of the team had some wins and close loses. All had a good week away, would be good to get on to team earlier in year and train/get together.

Unfortunately I was unable to go due to work commitments – but a big thanks to Marama Cameron for filling in, she did a great job. And congrats to the whole team on their effort and the way they represented the region.

**Melville Holmes** – Masters Convenor

# DISTRICT CAPTAIN'S REPORT

## Interclub:

All three zones had great competitions again this year. Ruapehu held a Winter competition that included Ohakune, Raetihi, Waiouru, Taihape and Taumarunui, this make for shorter travel over the winter months. Winners this year went to Waimarino. MWR have again held the two rounds of masters with the usual 16 mens teams and up to 40 ladies. The winning Mens teams were Whanganui Wranglers, Rivercity Rovers, Whanganui Wanderers and Hunterville Hurricans. The Ladies final was the Dainty Divas beating the Arsekicking Angels. These nights just get better each year. The winter competition saw 28 men and 11 ladies teams entered. Taranaki held their usual Winter and Spring competitions with 24 mens and 10 ladies teams.

The winners from the Winter Competitions were:

<u>MWR</u>		<u>Taranaki</u>	
Mens	Div 1 -	Taihape #1	Inglewood Sleepers
	Div 2 -	Ohakea #1	Hawera Classics
	Div 3 -	Dannevirke #1	Waitara Whippersnappers
	Div 4 -	Hunterville #1	
	Div 5 -	Rangitikei	
Ladies	Div 1 -	Rivercity	Hawera Long Whites
	Div 2 -	Dannevirke	Kawaroa Park Hot Shots

Playoffs were again hard to organise as the date was down for Labour Weekend which did not suit many teams. We ended up with 5 match-ups, with 2 mixture teams from Taranaki to give the MWR guys a hit-out for a banner.

The results were as follows:

Ladies Div 1	Hawera beat Rivercity 3/1
Men's Div 1	Taihape beat Hawera Classics on games
Men's Div 2	Rivercity beat Waitara on games
Men's Div 3	Naki Mix #1 beat Hunterville 3/1
Men's Div 4	Rangitikei beat Naki Mix #2 by 17 points on countback

Thank-you to the teams for taking the time to come and enjoy Whanganui's hospitality. Also thanks to Paulne Slovak and the Whanganui Squash Club for hosting the day.

## Super Champs:

This year we had the highest number of teams enter since 2008.

C Grade and D Grade, held at Hawera and Waitara respectively, had the highest numbers entered which made for some fantastic matches over the weekend.

District Winners were:

B Grade	Men	SquashGym PN	Ladies	Wanganui
C Grade	Men	Wanganui	Ladies	Hawera
D Grade	Men	Kawaroa Park	Ladies	Ohakune
E Grade	Men	Hawera	Ladies	Dannevirke
F Grade	Men	Tararua	Ladies	Tararua

Congratulations to all teams who placed at Nationals. (Full results at back of report)

## Champion of Champions:

These were again well represented at both District and National level. We had 83 players enter into the District event which made for a great weekend at Levin. Ohakune again took out the District trophy for overall points, well done guys.

Winners were:

A Grade	Kashif Shuja (PN)	Not contested
B Grade	Jordan Bell (PN)	Lauren Wikohika (OA)
C Grade	JP Le Prou (OK)	Trin McCarthy (RC)
D Grade	David Grant (WG)	Kayla Ryan (HW)
E Grade	Jack Shearer (KP)	Alana Overton (TH)
F/J Grade	Nash Jordan (OA)	Mairi Whittle (TH)

The Nationals held again at Ohakune saw the Central team come Runner Up to Auckland. Our winners this year were David Grant (D Grade) and Nash Jordan (F/J Grade). Well done to all players.

I would like to congratulate all Central players who have been selected for National teams, home and abroad. Well done, you do Central proud.

**Marilyn Dolan** – District Captain

## iSQUASH ADMINISTRATOR'S REPORT

Again, a busy year for Squash New Zealand with new personnel in the office. They have all manuals available online under the Help button. Most are too big to print off, but you can download them for future reference. These will also aid you if I am not available.

The Interclub module has been updated with points now beside team names in the draw window.

The main problem isquash administrators from the clubs strike is when a player has disappeared from their listings. They are always in the system somewhere, just feel free to contact me and I will endeavour to retrieve them and send them through. This is not a problem, its what I am there for.

The Most Improved Player of our District, was taken out by Niall Clancy from Hawera with an improvement of 1090pts. The top lady was Anabel Romero from SquashGym. All the C Grade ladies breathed a sigh of relief as she skipped them nicely. Well done to both of you.

I would like to thank all the Club Isquash Administrators for their hard work during the year. It is not just putting players on the grading list, and tournament results, but a lot more that SNZ requires. Those that are standing down, thank you, and those that are staying, also thank you and no doubt I will hear from you at some stage.

Enjoy your break over the holidays.

**Marilyn Dolan** – District iSquash Administrator

### NZ Junior Nationals 4-10 October

Boys Team: Jordan Bell, Dylan Budge, Matt Adshead, Richard Bell, Connor Fortuin.

Girls Team: Annalise Faint, Abbie Holmes, Anabel Romero, Genevieve Bell, Tia Pauro.

We had a very successful year in the individuals for our Central Junior players with 3 players playing off in finals and six players playing in plate finals. Other placings not mentioned above:

U-19 Dylan Budge plate winner  
U-13 Baxter McGonigal Plate Winner  
U-11 Aria Bannister 4th placing

In the teams event the boys and girl's teams finished 8th. All the players played well but there were a couple of outstanding ties that I would like to highlight.

The girls played 4th seed Canterbury in pool play. Genevieve Bell played Leonie Marshall a high B1, Genevieve was down 2-1 but came back to win in 5. In the team's event Genevieve earned 165 points in the four games that she played. On the back of winning the U-13 National title Anabel Romero 40 points away from B grade played Petra Curd-McCullough a B2 player. She was down 2/0 with the second game losing 11-1, in true Anabel perseverance she came back to win in 5 and move into B2! Annalise continued the girls winning streak with the win in 4 against Ruby Turnbull.

## TREASURERS REPORT

Another busy year for Squash Central has resulted in a small loss. The main area of concern is funding, we have not been able to secure as much as in previous years. Much of this funding goes towards our rep teams at Nationals. It has been decided by our committee that the players will pay a higher contribution towards district team representation. This will take effect from 2019.

Memberships in the district have risen so affiliation income will be higher next year. Having a district coach out and about in our clubs has proven invaluable and we plan to do this again next year. Hopefully more clubs will take advantage of this valuable resource being offered by the district.

Our funders this year were: Pub Charity, Infinity Foundation, NZCT, Mainland Foundation and Lion Foundation, we thank them for their ongoing support and Pauline for her tireless efforts in obtaining this funding.

We still have \$10,000 invested with TSB Bank and a \$10,000 debenture with Squashgym. There is \$46,797 invested with BNZ on term deposit.

Once again I would like to thank Pauline for her tireless work for the district; she is always willing and helpful.

I will not be standing again and I wish the incoming treasurer all the best.

**Dianne Tasker** - Treasurer

The boys tie that was a nail-biter was against the higher seeded Midlands where they won in count back by only 9 points. Matthew Adshead and Connor Fortuin played higher graded opponents and fought for every point.

I would like to thank Grant Watts, Victor Romero (in the boy's teams event), Melville Holmes and Rachel Bell for their help and support over the week. I felt the team gelled well and supported each other on and off the court. They watched other central junior players and even coached some of them. During the individuals the team coached each other as at times Grant was busy coaching other team members. So lastly, I would like to thank the players.

Matey is interested in rejuvenating the Central vs Wellington junior challenge and had the idea of joining the Central vs Eastern fixture but Eastern would like to keep that separate which I agree with. So next year we will try and organise with Matey a Central vs Wellington fixture and have it on grades not age group so we can grow juniors in all grades not just the top in their age group.

As I have mentioned every year along with many parents, I am concerned with the schedule the junior players are expected to maintain throughout the season. With commitments to New Zealand Squads, Central Squads, Interclub Series and High Performance squads, we need to ensure that we map out at the beginning of the year so they aren't burnt out by the time we need them to be peaking for Junior Nationals.

**Kelly Faint** – Junior Convener

**INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT**

**TO THE MEMBERS OF  
CENTRAL SQUASH ASSOCIATION (INCORPORATED)**

**Report on the Special Purpose Financial Statements**

We have reviewed the accompanying special purpose financial statements of Central Squash Association (Incorporated), which comprise the statement of financial position as at 30 September 2018, and the statement of financial performance and statement in movement in general funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Committee's Responsibility for the Special Purpose Financial Statements**

The Committee is responsible for the preparation of these special purpose financial statements in accordance with the Accounting Policies of the Association and for such internal control as the Committee determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

**Assurance Practitioner's Responsibility**

Our responsibility is to express a conclusion on the accompanying special purpose financial statements. We conducted our review in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400, Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity. ISRE (NZ) 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the special purpose financial statements, taken as a whole, are not prepared in all material respects in accordance with the Accounting Policies of the Association. This Standard also requires us to comply with relevant ethical requirements.

A review of special purpose financial statements in accordance with ISRE (NZ) 2400 is a limited assurance engagement. The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on these special purpose financial statements. Other than in our capacity as assurance practitioner we have no relationship with, or interests in, Central Squash Association (Incorporated).

**Basis for Qualified Conclusion**

Control over income other than affiliation fees, grants and interest, prior to being recorded is limited and there are no practical assurance procedures to determine the effect of these limited control. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

**Qualified Conclusion**

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the special purpose financial statements of Central Squash Association (Incorporated) as at 30 September 2018, and its financial performance for the year then ended, are not prepared, in all material respects, in accordance with the Accounting Policies of the Association.

**Emphasis of Matter**

Without modifying our conclusion, we draw attention to statement of accounting policies, which describes the basis of accounting. These are special purpose financial statements and have been prepared to meet the requirements of the members. As a result, the financial statements may not be suitable for another purpose. Our conclusion not qualified in respect of this matter.

**Restriction on Responsibility**

This report is made solely to the members, as a body. Our review work has been undertaken so that we might state to the members those matters we are required to state to them in a reviewer's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our review work, for this report, or for the conclusion we have formed.
